**Comments:**

*Students must take Physics II (Physics 32 at BCC or PHY 204 at John Jay) by the summer before attending John Jay in order to be eligible for CHE 320 in the Fall. It is HIGHLY ENCOURAGED that you speak with an advisor to inquire about this. Not taking this course may push your graduation date by a year!*

**Comments:**

*If COMM 11 was taken at BCC, consult with an AAC advisor.*

*Students choose Criminalistics Track (C), Toxicology Track (T), or Molecular Biology Track (M).*

*This plan assumes that students are transferring to John Jay with at least 60 credits. Students are required to earn 120 credits total in order to graduate with the BS degree.*
